Parental Engagement

2024/25

As part of our commitment to meaningful parental engagement, we are delighted to offer the following opportunities for children to share their learning with their parents/carers. This will take the form of a short showcase where children will present their learning through art, music and/or drama, with workshops more focused on parents/carers and children working collaboratively on learning experiences. For most classes, their showcase and workshop will take place on the same day, with P1 and P7 splitting their events due to the nature of their showcases. For most events, we encourage a maximum of two adults per family, thank you.
