

Kirkton Primary School

Participatory Budget (PB) – 2024/25

What is
PB?

- PB is a way for families to have a direct say in how money is spent and gives people a voice.
- Participatory budgeting is about exploring the issue and coming up with suggestions.

At Kirkton Primary School, we have committed 5% of our Pupil Equity Fund to Participatory Budgeting for Session 2024/25!

5%

UNCRC
Article 12

We believe all stakeholders should be included in this decision-making process and recognise how the UNCRC encourages this too!

We need parents, carers and children to join our PB Group to ensure our budget is spent on what really matters to you!

We need
YOU!

Our **ONLY** meeting will take place on Wednesday 2nd October at 2pm and your child can attend too. We will then issue a public vote to confirm choices!
