

Kirkton Primary School

P1 Induction Programme

At Kirkton Primary School, we strive to provide a safe, successful and happy environment built on an ethos of mutual trust, respect and high expectations for all. Our school values of Care, Respect, Trust, Honesty, Creativity, Innovation and Resilience underpin everything we do, and we aim to exhibit and recognise these in ourselves and others. We are committed to supporting learners to recognise their rights, talents and skills and pursue their goals with resilience. Our relentless pursuit of meaningful pupil voice and relevant and engaging learning and teaching that embeds skills and enquiry, ensures our learners achieve their full potential to become Successful Learners, Confident Individuals, Effective Contributors and Responsible Citizens, now and in the future.

All of this starts with you; our newest families, therefore I am delighted to share with you our Induction Programme aimed at welcoming you and your child into the Kirkton Community.
