School Events – Reference Sheet – Feb Update

As part of our commitment to pupil voice and engagement, we are delighted to provide details of the main school events for the rest of the session, as agreed with the Captaincy Team. We have included fun, charitable and educational events and we hope this cheat sheet will be a handy way to keep track for the rest of the year. Please note additional transition and sports dates have yet to be confirmed (all dates will be added to our annual calendar). Please remember donations are always voluntary and never required, as our main aim is to provide happy, engaging and impactful events!
