

Numeracy & Maths

In Numeracy & Maths, we will be working in:

- ⇒ Money- We will calculate money totals and explore real life money offers.
- ⇒ Patterns and Equations- We will explore linear patterns and solve missing number equations.
- ⇒ Angles- We will learn different names of angles and explore these within our environment. We will also explore compass bearings.
- ⇒ Data Handling- We will create different types of graphs and read these to answer questions.
- ⇒ Measure- We will investigate methods of measuring and use a range of units to record what we have measured.

Health & Wellbeing

- Rights Respecting: This term, we will continue developing our understanding of rights linked to the UNCRC, including what healthcare means.
- Emotion Works: This term, we will develop our understanding of emotional triggers and levels of intensity of emotions we can feel.
- Healthy Schools: We will learn about food and health, discussing the social aspects of eating with others.
- **Orienteering**- using a range of skills to complete an orienteering course and create our own, working as part of a team indoors and outdoors.
- **Athletics**- developing our track and field skills through a range of activities indoors and outdoors.

Kirkton Primary School

Primary 5

Term 3 Overview

Contexts for Learning

In the Discovery Room, we will be exploring:

- ⇒ **Maps and ordnance**- identifying map symbols, creating a map and planning routes using physical and digital maps.
- ⇒ **Sound vibrations and light reflections**- (Science)

In class, we will be exploring:

- ⇒ **Democracy and politics in the UK**- exploring what an election is, and what the local government do.

Important Information

Mrs McAdam's assembly will be on 16th May 2025.

Please work on our class song "fight song" and our whole school songs "Try Everything" and "Mountain" at home- see Google Classroom for links & lyrics.

Many thanks for your continued support at home!

Literacy & English

Reading

This term, we are developing our reading skills through exploring a range of fiction and non-fiction texts in our groups.

- ⇒ We will continue to develop our use of quotations to back up our ideas.
- ⇒ We will develop our skills of analysing what we read and giving our opinions on these texts.
- ⇒ We will develop our expression when reading tricky texts aloud in our groups.

Writing

This term, we will be working on the narrative text type. We will consolidate our skills of using descriptive vocabulary to describe characters and settings, before writing narrative stories as a class, with a peer and then on our own!

Listening & Talking

We will consolidate our learning this year by creating our own choice PEBL showcases, sharing our research in front of the class as a showcase.

We will continue to develop our notetaking and listening skills by watching video clips linked to a range of topics and writing notes in our own words.
