

Kirkton Primary School Improvement Priorities 2025-26

Our priorities for 2025/26	Priority 1: Raise attainment in Numeracy	Priority 2: Increase enjoyment of reading	Priority 3: Enhance inclusion across school
What do we want to achieve?	<ul style="list-style-type: none"> - A consistent teaching approach in Numeracy across school. (VCPA) - Ensure challenge and choice feature in Numeracy & Maths lessons. - <u>Pupils</u> engagement in Numeracy and Maths will increase. 	<ul style="list-style-type: none"> - An improved whole school reading culture - Increase in confident, independent readers - Reading Schools accreditation - Pupil voice in planning and resourcing library/reading spaces. 	<ul style="list-style-type: none"> - Staff familiarity with ASN CPD hub - Staff confidence to meet diverse needs within classroom - Partnership working across school and key links to support learners - Opportunities for pupil leadership (Read/Write ambassadors/ASN assemblies)
How will we know?	<ul style="list-style-type: none"> - Engagement in Numeracy & Maths will increase - VCPA approach used consistently across school - Almost all pupils will be on track for Numeracy and Maths. - Learner conversations and observations will reflect an increase in engagement. - Peer School Review feedback reflects consistency 	<ul style="list-style-type: none"> - Reading Schools accreditation - Increase in Literacy data - Learner conversations and feedback - Reading ambassadors appointed (leadership) 	<ul style="list-style-type: none"> - Staff confidence levels increase - Increased engagement from learners with an ASN. - Consistent use of Staged Intervention across school - Learner conversations and SLT/Peer classroom visits.
